Introduction

Homeland is a very broad concept, there are many ways to define and praise it tools can be used. Learning approaches to the Homeland aphorisms, which are one of such important tools in the process, that is, mainly found by philosophers, sages, famous historical figures at a certain time. It is also important to have a collection of phrases that help to understand the truth becomes important. Aphorisms have one feature, they are repeated over time will be polished and its value will increase. Here is the first president of our country "Of course, the world is wide, there are many countries in the world, but our motherland, Uzbekistan, is unique in this world" the only one. This is a beautiful land, this holy land is called to us proves how dear the motherland is to us. Our great enlightened grandfather Abdulla Avloniy said about the Motherland: "Each the city and country where a person was born and raised called his Homeland. Even animals have this sense of homeland. If he loses his homeland, he will not live as comfortably as he did in his homeland, his life will be miserable. his tongue is in pain all the time. English writer Voltaire "Homeland is a place where the soul is a prisoner".says. And Montesque said, "It is up to fathers to raise children with love for the Motherland." "There should be love for the country," he says. By the way, every nation has its own greats. The human race cannot object to these statements. Vice versa, such aphorisms, which have become masterpieces of the cultural heritage of humanity everyone appreciates the same. As Gelvesiy said, "Love for the motherland is for the whole world."it goes together with love. Knowledgeable people do not harm their neighbors.Countries help each other as much as they are enlightened. When the forces join, universal human mental activity will also deepen."

Materials and Discussion

It is no secret that aphorisms are loved and studied in all nations and any nation aphorisms that exist in spiritual life are usually also by other people willingly studied. One of the great poets of the 20th century, a child of Dagestan Let's listen to the thought of Rasul Gamzatov, which has become an aphorism. "If someone guarantees me that one day the Avar language will disappear, I am today I am ready to die. How else is love and loyalty to the motherland, to one's own language can be defined. This kind of hotness makes the reader's body tremble. You don't always come across sincere thoughts from the bottom of the heart.

Below are the words of the world's wise men about the Motherland and the place in people's hearts you can get acquainted with the aphorisms.

- If you find a person, don't say it is a person, I don't have one; the grief of the people. (Alisher Navoi)

- The country is like the love of two lovers, it has a place in the depths of the heart. (Murod Khidir)

- One of the qualities of a perfect person is loyalty to the Motherland. (Abu Lays Samarkandi)
Self-sacrificing people are those who rush to protect the Motherland when it is threatened. (A.N. Farabi)

The article also studies the English versions of aphorisms we went out and witnessed this from the Uzbek translation of these aphorisms that it is possible to get a more resonant and accurate meaning from the English version we found out. Below are some of the concepts of "Motherland" and "Homeland" We will give examples of meaningful and meaningful aphorisms.

-Have a sense of pride in your motherland. Just as your mother has given birth to you, so too the land has given birth to you." Sri Sathya Sai Baba quotes (Indian Spiritual leader, b.1926)

-The motherland is not a mere lump of earth. When we desire its progress, we have to promote the progress of the people who dwell therein." Sri Sathya Sai Baba quotes (Indian Spiritual leader, b.1926)

-One should respect his motherland, his culture and his mother tongue because they are givers of happiness"

-To have pride in your own motherland is important." Sri Sathya Sai Baba quotes (Indian Spiritual leader, b.1926)

-O Motherland! May be, your subjects unite and be 'sweet-speakers'! Bless all of us so that we too could be soft spoken". Atharva Veda quotes Rig Veda quotes.

-,A person who is respectful towards his land, civilization and language, attains greatness and he acquires all the happiness of life. His deeds should be such that makes the motherland, the culture and language proud."

-Even as you are a citizen of your motherland but respect all countries, also respect all religions equally."

-"O Motherland! Bless us with a benevolent mind! Help us realize all the knowledge with the each passing day and may I acquire wealth from the earth!" Dianne Feinstein Ports are the gaping hole in America's homeland security.

-Kim Campbell: Canada is the homeland of equality, justice and tolerance. George Walker Bush There's no bigger task than protecting the homeland of our country.

-Theodor Adorno: For a man who no longer has a homeland, writing becomes a place to live.

-Spirit Stallion of the Cimarron: That was the moment I understood. They were headed to my homeland, and I had to stop them!

Conclusion

The rich and glorious history of the Uzbek people, statehood traditions are national and religious. As we know from the values, the Motherland is a great and sacred concept. It is written in Hadith Sharif that "Homeland is as holy as a place of worship". For a Muslim, Hadith Sharif is the most reliable source after the Holy Kuran it is enough to remember that is a program for a believer. The reliability of hadiths is that these rules were ordered by our Prophet Sunnah is the actions. That is, it is a Muslim's duty to follow these instruction it means not only culture, but also good manners and manners provides. If we turn to another hadith, "Motherland it is said that to love is from faith. How much faith is for a person its importance is self-evident. The Uzbek people are unique among the nations of the world. Our grandfather Alisher Navoi, who laid the foundation stone for his speech and perfect language said, "Careless about the language - careless about the hand." If we try to interpret, our grandfather is talking about the Uzbek language, that is, our mother tongue. Every sovereign One of the important attributes of the state is the State language. Let's not take any of the works of our grandfather Navoi, the country, the peace and safety of the nation, we can see that they created by lamenting about their prosperity and well-being. Personally to build madrasas for students of science on their own initiative, far away from the people building dozens of bridges, water supply, gardens to lighten the burden those who were involved in the creation of images. The most important thing is blood for peace not to spill, not to fight, harm to the holy land, innocent people in order not to deliver, he sacrificed all his intelligence, talent, and even his life if necessary those who are ready to do it. Our grandfather Zahiriddin, who born, raised and educated in our country, spent the last years of his life in India with his uncle one of the main themes of Babur's works is love for the Motherland and longing for the Motherland. After leaving Andijan, the country where he was born and grew up, he said, "Anda my soul is mine" those who lamented, did not enjoy the fruits of the Indian land, whose nature and climate are alien "Boburnoma" reflects the fact that they used Ferghana's sweet melons. It is his homeland that took away masters from Samarkand and Bukhara by building his image, by looking for a solution to the pain of separation, he was devoted to the Motherland those who want to show their infinite respect and loyalty.
