## Research Methods:

Modern epidemiological, social-hygienic, mathematical-statistical, and evidence-based medical methods were used in the process of collecting, processing, and analyzing research materials in order to fulfill the assigned tasks.

Its main task is to teach the rules of motivation to be a public speaker. However, everyone is eloquent that it won't happen. In the future in the speaker's ability and talent to be needed. Because it is art. That's why some orators the material deep that he knew without owning their opinions and free speech with delivered failure to give, as a result, listeners do not understand a skillful orator's speech while listeners good understand. It is an event about clear and live information to give through listener to his mind effect to reach because to laugh, to cry and fantasy the world conquest reach can \_ Oratory of art the goal and of duties here are the main ones so chickpeas orators disadvantages determination and skillful orators achievements observation and guidance from showing consist of In this sense eloquence art eloquent to be exclamation point laws learning is a science.

In our speech meeting standing defect and Is it a drawback? eliminate speech, eloquence art in charge of the whole state importance have has been socio-political from tasks is counted. In this sense, first of all, eloquence art enough level take over each society of the member culture also determines the level. Secondly, Uzbekistan's independence the eye remover lies down to the elements against ideological in the struggle eloquence art's main weapon as activity shows it is necessary for Oratory of art each sharper than ever and sharp to be today's of the day important demand.

Har one field momentum with developing present period socio-cultural event as a leader in the person of eloquence essence and to himself special features understanding, his civilization in history genesis and development dynamics open give, exactly in leaders eloquence of ability social in processes role justification important importance occupation is doing Including the President Sh. Mirziyoyev

Young people in the forum on young people's leadership ability formation about stopping passed " of our youth leadership ability strengthen their activity increase, har bilaterally support advanced the work experiences publicize for " Rainbow stars ", " of the year the most active young leader ", " Yil like " captain " . auditions Transfer, I think, to the goal according to will be With that one in line, high study countries in the middle Students festival, Intellectual games weekly, " Yil student audition and competitions transfer their intellectual potential and organization ability more to upgrade service will."
